

Important information for first-time families

To help insure the safety of the children, Kids Zone utilizes a computer assisted check-in system. Among the many benefits included with the Check-in System are increased security for our children, no more attendance sheets, instant name tags and easier registration for classes and events.

Please keep your security claim check—you will need this when you return after the service to pick up your child/children.

The number on your claim check will display in the service if we need you to return to Kid's Zone to attend to your child. Stop at the check-in area if you have more than one child, so that we can let you know which classroom needs you.

Welcome!!!

We are so excited that you and your child have joined us.

Welcome to Kid's Zone

Welcome

We are so glad to see you in Kid's Zone today. We are sure your child is going to have a ton of fun and learn about Jesus too. Below are THREE easy steps to help you through your first day here at Broadway's Kid's Zone.

1

Check in and register your children at the Kid's Zone Visitor Check-in desk.

2

You will be given a sticker for you and each of your children. The child's sticker will have his/her room number on it. A Visitor Guide will help you locate your child's classroom(s).

3

When picking up your child, go directly to your child's classroom. Your child's teacher will match the code on your child's nametag with the one on your security claim check. Once the match is verified, your child will be released to you. Please turn in your security claim sticker to pick up your child.

Additional Visits to Broadway

Since you have already completed the Visitor Registration Form, the next time you visit Broadway's Kid's Zone there will be no need to fill it out again. You can simply go to the Family Check-in Kiosk located in the Kid's Zone area where our Greeters will be glad to assist you.

What is Kid's Zone?

Babies through Preschool

Lil' Kid's Zone is Broadway's nursery and preschool ministry and provides a safe, nurturing environment where a baby or toddler will feel comfortable coming week after week. Our staff and volunteers seek to provide lots of Christian love and care for each little one.

Lil' Kid's Zone Preschool provides age appropriate and interactive learning about the most fundamental teachings. Lil' Kid's Zone's curriculum is called First Look, which focuses each little one on the wonder of who God is.

Kindergarten through 5th Grade

Kid's Zone is our K-5th Grade environment where elementary aged children enjoy a small group/large group approach to learning God's Word. The Kid's Zone curriculum is called 252 Basics, based on Luke 2:52: "And Jesus grew in wisdom and stature and favor with God and man."

Large Group is where all K-5th graders come together to learn about what the Bible story has to say about the character virtue of the month through music, prayer, and drama.

Three Basic Truths:

- I need to make the wise choice!
- I can trust God no matter what!
- I should treat others the way I want to be treated!

Elementary children connect to small group leaders and same-aged peers in small groups through interactive activities and creative Bible lessons. Parents are provided with God Time Cards as resources to help edify their child's devotional life and further learning at home.
