## CELEBRATION STORY

### World Refugee Day

World Refugee Day is a day celebrated around the world to honor the strength and resilience of refugees. Celebrated each year on June 20, communities across the world hold events and take the time to recognize the accomplishments and contributions of refugees.

Bowling Green's International Center of Kentucky hosted an event Saturday where refugees in our community thanked the city of Bowling Green for being so welcoming, while informing community members of the cultures represented here from around the world.

If you missed the festivities this weekend, you can still connect with refugee families and learn more about the International Center of Kentucky by:

- Visiting [icofky.org](http://icofky.org) for information on the International Center and how you can volunteer.
- Attend the Ladies' Potluck With Purpose Thursday, June 29 to hear guest speaker Kaycee Gibson talk about the needs of the International Center and the refugee families of Bowling Green.
