

Mrs. Aubree

Hello!

I am so excited to be your child's pre-K teacher for the upcoming school year! This is my fourth year teaching at ELC but I have spent several years as a substitute teacher. My own children have gone through the ELC program and I feel so blessed to have the opportunity to teach your children this year. We are going to have so much fun and grow in so many ways!

I have been married to my husband Kyle, for 14 years. We have two children, Preston and Graham who attend Potter Gray Elementary. I was an event planner after college for four years and have been a stay at home mom for eight years. I love spending time with family and friends, traveling, and volunteering at school and church.

Please feel free to contact me with any questions or concerns.

My favorite things are shopping at Walmart and Target, Starbucks, and getting manicures and pedicures.
