

Mrs. Bethany

Hello,

My name is Bethany Quintanilla, this will be my third year working at ELC. I am so excited for the opportunity. Previously, I worked in a daycare in Franklin KY in the two year old classroom. I love to work with kids and see things through their perspective.

It's never a dull moment around them! Being able to watch them grow amazes me.

A little about me!

My husband's name is Juan. He is a hard worker and very active. Together we have four beautiful and amazing kids, Karla, Kamdyn, Danny, and Sophia. Karla loves to socialize and so laid back. Kamdyn loves all things sports and is so caring and soft hearted. Danny is adventurous and willing to try new things. Sophia is very girly, anything glitter and rainbows. She always wants to be the little helper. I love to cook and bake and try new recipes. Just being with my family is what I love the most. I am an easy going person, I enjoy the small things in life and being able to create memories with my kids.

In this classroom....

We will laugh, learn, and play. We will count our blessing and praise God for all he does for us. Most importantly we will have fun!

Please feel free to contact me and let me know if you have any questions or concerns.
