

# Mrs. Carrie

HELLO!

I am so excited to be teaching in the 3's class with Mrs. Stephanie this school year! We truly love spending each day with these precious children and we love watching them grow in so many ways. We can't wait to get this year started with our new class!

A LITTLE BIT ABOUT ME:

I am a Nashville native but have been in Bowling Green for 22 years. My family made the move when my husband became pastor at Living Hope Baptist Church. I have 3 children: I have a Bachelor's Degree in Interdisciplinary studies(K-8) and I have taught in the public school system for a few years. I taught third grade in Nashville. When we moved to Bowling Green, I sent my kids to ELC for preschool, and fell in love with the program. After my kids started school, I started teaching here at ELC! Each day my goal is to see these children feel loved, feel safe, have FUN, and help them grow academically, socially, and spiritually.

As far as fun for me, I enjoy anytime spent with my family, being outside, shopping, and traveling!

IN THIS CLASSROOM:

We want each child to feel how special they are and to know they are in a fun and safe learning environment. Each child brings a unique characteristic to our class that we will value. Little things like "circle time" and "centers" are big steps for this age because they begin to practice more self-control in a classroom setting. This is a big year for growth in these steps and it's really fun to watch their development!

Please feel free to contact me with any questions or concerns.
