

Mrs. Chasity

Hello, I'm Chasity Grace, and I couldn't be more thrilled to be a part of the pre-K teaching team!

I am originally from Owensboro, Kentucky and moved to Bowling Green in 2006 to attend WKU. This is where I met my husband, Josh, and we have been married for 10 years. After graduating I taught elementary school for 8 years. Then, I began staying home with my children. Brady (5) is a kindergartner this year and Charlotte (2) attends ELC. Brady began attending ELC in 2019 and I soon realized what a huge impact it was making on his life. I began subbing last year and now have the honor to be a full time teacher this year!

In my spare time, I enjoy spending time with my family and friends, traveling, reading, sudoku puzzles and watching sports. I believe in creating a nurturing environment where each child feels loved, supported, and empowered to explore and learn. This year I look forward to fostering creativity, curiosity, and a love for learning that will stay with each child throughout their lives.
