

# Mrs. Courtney

Hello!

It is a great blessing to be part of the ELC community. I began working with ELC in 2022 and am excited to be teaching full time this year in the 2's classroom. I've always had a passion for child development and look forward to seeing what joys God will bring us this year.

A Little Bit about Me:

I am originally from North Carolina with a background in dance education and child development/family relations. I've worked as a pre-school teacher off and on for 30yrs while also being a mom to four wonderful children. I've been married to my husband Scott for 29yrs and we have three adult children (Kelsey, Dylan, and Logan), a 12yr old daughter Sydney, and a feisty bunny named Cadberry. I love vacationing at the beach and wearing UK blue and WKU red.

In Our Classroom:

We'll live, laugh, and love everyday! We'll find faith in numbers and letters, and joy in prayerful play! We'll share in God's community as we learn and grow together at ELC.
