

Mrs. Heather

Hello!

I could not be more thrilled about the upcoming school year and all the exciting things our kiddos are going to learn and experience! In the past, I worked mostly with high school and college students. However, after seeing the tremendously positive impact the ELC had on my own child, I welcomed the opportunity to join the Pre-K classroom and teach the Littles.

A little about me:

I am a Bowling Green native and WKU alumna. I have been married to my husband, Luke, for twenty-one years. We have a very fun and active daughter, Palmer, and two sweet and silly doodles: Kobe & JoJo. In my free time I love exploring nature, swimming, playing soccer, and dancing with my family!

In our classroom:

We will prepare for the next big milestone: Kindergarten, and we will sure have a lot of fun doing it. We will treat each other with kindness in a warm and welcoming environment. And most of all, we will continue to learn about God's unending love for each of us!
