

Mrs. Karen

Hello!

Welcome to the nursery. We are going to have so much fun this year. I have done home day care for about 27 years. I've always worked in the nursery here at ELC when I have worked here. I just love babies.

A Little About Me:

I'm 56 years old and I've been married to my husband Keith for 38 years. We have 4 grown children and several grandbabies with more on the way!

In our classroom we will play so much this year! I can't wait to meet you and watch your babies grow and develop over our year!
