## Hello!

I am excited to be teaching your little ones this year in the 3's class with Ms. Kerry! This is the start of my seventh year with ELC. My own children have gone through the ELC program and I feel very blessed to have this opportunity to teach your children. I cannot wait to meet your children and get this school year started!

## A Little About Me:

My husband, Brent, and I have been married for 24 years. We met at Western Kentucky University, where I received my degree in Healthcare in Admin./Business. We have been blessed with two children. Andrew attends college at UK and Claire is a sophomore at Greenwood. I have been a member at BUMC for the past 20 years and enjoy volunteering in our Kid's Zone ministry on Sunday. I also enjoy reading, traveling and spending time with family.

## In this Classroom...

- Learn that God loves us and that he made each one of us special!
- Learn the Fruits of the Spirit - Galatians 5:22
- Learn to share & make new friends
- Have fun while we learn!
